Brett Fuller - SHAPE President . . . . . MW President Kestell

WHPE Passing the Gavel . . . . . WHPE President Maureen Vorwald / Dan Timm

Closing Remarks . . . . . Dr. Dan Timm

2020 Award Recipients

ADVOCACY

Doug Kane

Doug Kane, retired MPS, has taught, subbed in over 160 schools and worked in Recreation badminton and basketball programs at Whitefish Bay for over 50 years. He is a Lifetime WAHPERD/WHPE member who served as WAHPERD President in 1999 and on numerous committees and BOD positions over his career. Doug has been recognized as an Elementary PE TOY, JRFH Award, and with a Presidential Service Award. He received National recognition for his involvement in Hoops for Heart and was recently (July 2020) honored by the National Recreation and Park Association for his continued engagement in and dedication to our allied professional field of Recreation. WHPE salutes Doug Kane's lifetime Advocacy endeavors and the Association 'thanks' him for his continued service on behalf of the profession and we recognize him with this Advocacy Award.

ADVOCACY

Keith Bakken, WHPE retired CEO

Keith has guided WHAPERD/WHPE to having become one of the primary state affiliates of AAHPERD/SHAPE over his 25 years of service in Wisconsin. Because of his leadership and knowledge related to finance and association management, WHPE is fiscally sound and on the cutting edge of new theory and practice and our Association has provided continuously engaging professional development opportunities for members during his tenure. Prior to coming to WHPE, Keith was affiliated with teaching in the US Army at West Point and was promoting the concept of 'physical literacy' long before our profession evolved into using that term. Keith resides with his wife Karen and extended family in Mt. Horeb and although 'retired', he is and will continue to be WHPE's #1 Advocate. WHPE recognizes Keith's extended service and we wish him well in retirement.

Nicole Popowich, WHPE Association Manager

Nicole has been with WAHPERD/WHPE for 28 years, being initially hired by then Ex. Director, A. B. Culver. Nicole was 'just a kid' out of high school and her position of 'clerk/typist' was to be temporary. WHPE is fortunate that the position evolved into that of Association Manager and that Nicole has literally 'grown up' with WHPE and 'into' her current role of managing and providing for all of us members. Over many years, she has managed the budget and convention process, assisted some 25 Presidents to transition into their roles and worked with three Ex. Directors. She truly 'can' and 'has done' it all! As WHPE transitions now to another new President and ED, we are extremely fortunate to have Nicole to be the 'guide on the side' to help us all stay viable and continue to be the thriving proactive Association we have become. Nicole, we recognize your efforts devoted to us over many years. WHPE looks forward to the continued high level of proficiency you have previously demonstrated on our behalf as we all move forward into the future together.

WHPE Membership Longevity

20 Year - Jackie Clark, Jennifer Day-Nelson, Crystal Gorwitz, Kamie Gritt, Sherry Hintz, Andrea Ingvalson, Todd Jahns, Erika Molitor, Todd Pozarski, Peter Rintelman, Marcia Schmidt, Peter Toutenhoofd, Wade Wentland

FUTURE PROFESSIONAL LEADERSHIP

Zachary Falk

Zach is a UW-L affiliate who has certifications in Physical Education and APE. While at LaCrosse, he earned Dean's list honors and was a contributing member of UWL PEM Club having worked as an age group leader for the Winter Youth/Fitness Camp. He enjoys teaching swimming lessons and working as a golf instructor. A highlight to his student teaching, prior to having to adapt to distance online teaching/learning resultant of COVID19 crisis, was that one of his and cooperating teacher, Nick O'Keefe's ice fishing classes were able to catch a 40 inch Northern Pike while they could still be 'all together' for that in class experience. WHPE 'thanks' Zach for serving in the role of Future Professional VP on the BOD, and we wish him well in his continued future HPE experiences within the profession.

APE TEACHER of the YEAR

Sadie Brown

Sadie teaches APE in the Sun Prairie School District for grades K-12. She works to establish and build relationships with her assigned students and staff. Sadie's emphasis is upon meeting individual IEP goals and fostering active lifestyle programs for her students that extend beyond the classroom. Sadie works collaboratively with regular PE staff to establish adaptations into which her students can engage along side of their regular PE peers. She has secured bike modifications for her 4th & 5th graders to ride with peers, blended APE/Regular PE in Unified PE for 8th grade/high school students while bringing wheelchair basketball/ sit volleyball to others. Ms Brown is creative and has increased inclusion raising awareness of Paralympics to Sun Prairie schools. In her spare time, she presents for both the district and WHPE, coaches district volleyball/softball, and continues to engage inn personal professional development as a lifelong learner. WHPE thanks Sadie for her involvement and recognizes it with this award.

PHYSICAL EDUCATION TEACHER of the YEAR

Kim Selby – Elementary

Kim is a Physical Educator at Wilson elementary in Sheboygan, having taught there seventeen years. She holds a BS in PE and an MS with Principal licensure and certification in ATODA and coaching. Mrs. Selby has served as SASD ATODA coordinator, PEP Grant head Advisor-elementary, conducted JRFH/ and now HMM's events in addition to helping community fundraise for the recently completed SHAW Family All- Inclusive Playground Park. Most comfortable in the elementary PE classroom, she centers her lessons around SHAPE Standards, emphasizing a multiplicity of activities to promote physical literacy and social emotional interaction. She not only allows students to answer the proverbial 'what are we doing today', but also stresses 'why, how, assessment' and provides for student success via 'I Can' … opportunities. Kim attends both WHPE/ SHAPE Convention, and realizing behavior/discipline to be her biggest challenge, has collaborated with other staff/parents to find ways to motivate positive student behavior. She has a passion for moving and learning that is contagious to her students, their families and staff. Kim most recently joined the WHPE BOD as Elementary VP- PE using her talents to continue to serve others within the profession. WHPE recognizes her knowledge and enthusiasm imparted to others with this award.

PHYSICAL EDUCATION TEACHER of the YEAR

Shannon Maly – Secondary

Shannon teaches at Sun Prairie High School, having previously taught in Stoughton and Marshall. She is a seventeen - year WHPE member and has served on the BOD. She is always looking 'to develop, improve, build upon and provide the best PE experience for the students.' While at Sun Prairie, Shannon has contributed to all four essential component (policy/environment, curriculum, appropriate instruction; assessment) areas to help foster better program experiences for the students. She uses technology, challenge by choice, Sport ED, social media, Games for Understanding and other innovative methods in addition to traditional best practices when presenting lessons. Her teaching is linked to research and supported by assessment. During a pilot Sports Officiating class she developed, she realized . . . 'it wasn't working' and more adaptations to immerse students more fully to allow for higher quality of learning were necessary. Shannon has presented at WHPE, SHAPE and through her affiliation with OPEN, at numerous other state conferences. Likewise, she has written/received grants and developed curriculum. Ms Maly truly fits into SHAPE Past President, Jamie Sparks' R.O.C. She is 'Redefining Our Community' and WHPE recognizes the contributions she has made to the profession thus far with this award.

ADVOCACY AWARD

The Advocacy Award is given in recognition of significant contributions made to the advancement of the profession through the fields of health, physical education, or related fields. Such contributions may be in the form of legislative support, professional service, or specific participation in local, state, district, or national program development. The recipient may be an individual, or group or an organization, and need not be a member of WHPE.

HEALTH EDUCATOR TEACHER OF THE YEAR

This award is given in recognition to an individual who has major responsibility for health education in public or private school, grades K–12; an institution of higher education; a community health program; gov't. health agency; or worksite wellness/health program. WHPE membership is required with at least five years of membership and five years of teaching experience in the field of Health Education. Additional criteria include: significant contributions to the profession in the areas of teaching, research, creative activities, and service. SHAPE membership is required if the State winner wishes to have his/her application advanced to the Midwest District selection process. Three letters of reference are required, as are answers to specific questions to accompany nomination.

LIFETIME ACHIEVEMENT AWARD

This award is granted as an award for outstanding service to the profession and WHPE. One so honored must be retired and should have held membership in the Association for a minimum of 20 years. Association Past Presidents, who for whatever reason (coming from another state, career change/ late entry into teaching or other related profession, etc.) will be eligible for this award immediately upon retirement and their candidacy will be at the determination of the Awards' C. and the EC. Outstanding service is interpreted as offices held, committee work, a long history of attendance at meetings/ conventions, development of innovative programs, excellence in teaching, research, publications, participation in State, District and /or National initiatives, and representation of WHPE in District and National projects. The recipient has all rights, privileges and services belonging to members, and will be admitted to the annual Convention at no fee.

OUTSTANDING SERVICE AWARD

This award is to be determined solely by the WHPE President in recognition for service and assistance rendered to them during their term as President. It is recommended that the President limits the number of service awards to 6 during their presidency. Additional service awards must be approved by the Executive Committee.

PAST PRESIDENT AWARD

This award is given to the outgoing Past President of WHPE in recognition of completing his/her term of leadership as President-elect, President, and Past President. It recognizes continuous leadership and service at the highest office of the Association as demonstrated by growth within the profession. The WHPE President recommends the individual to the Ex. C. and no documentation is necessary nor action taken by Awards Committee. This award will be presented during the general assembly.

DANCE TEACHER OF THE YEAR AWARD

This award is given to a dance teacher who has major responsibility for teaching dance. The applicant must be a teacher who:

- **Teaches creatively and utilizes various methodologies**
- **Presents a balanced and sequential curriculum based on the developmental, social and psychological needs of the students**
- **Emphasizes the significance of dance as an integral cultural component that enables students to understand their own cultural heritage as well as that of others**
- **Promotes an understanding of dance as a creative art through the discussion of aesthetics of students' own works and/or the works of others**
- **Encourages an appreciation of dance as a performing art through viewing live and/ or recorded works by community and professional dance companies**
- **Provides opportunities for students to share their creative work with appropriate audiences**
- **Serves as a positive role model for students both in dance technique and life skills**
- **Shows professional commitment through membership and active participation in local, state, regional, and/or national dance organizations**

ADAPTED PHYSICAL EDUCATION TEACHER OF THE YEAR

This award recognizes those who exhibit excellence in teaching Adapted Physical Education (APE). It recognizes outstanding physical educators who teach APE to individuals with disabilities in programs for ages birth to adult. Recipients must demonstrate conducting a quality program as reflected in student individualized education plans (IEP's) and based upon accepted APE standards, utilize various teaching methodologies, serve as a positive role model, participate in professional development and provide service to individuals with disabilities through advocacy, consultation, inservice training presentations and / or active membership in related professional organizations. The recipient must have a minimum of 5 years as a WHPE member and 5 years teaching experience. These individuals must teach full-time and have at least 50% responsibility contact devoted toward teaching APE.
