

WHPE Advocacy Scoring Rubric

Applicant Name:

of yrs as WHPE Member:

Individuals must make significant contributions that advance the Health and Physical Education profession and will be evaluated via the following rubric:

<i>Points</i>	<i>Criteria</i>
	1) Legislative support
	2) Professional service (local, state, district, national)
	3) Participation in program development (any level)
	4) General service to Health and Physical Education profession
	5) General /specific service to WHPE
	6) Other

Since this award can be given multiple times and is usually initiated by a nominator bearing specific information relative to the above, it is only necessary to mark X and verify the above contribution and then render accept/reject for the candidate.

No letters of recommendation are required but it is hoped that detailed information will be supplied via the initial nomination.

(This award was formerly the Citation Award)
